Description

Longhurst Croft is located off a service road which runs parallel to Longbridge Lane, the main connector road between the Bristol Road South in Longbridge and the Redditch Road which gives access to junction 2 of the M42.

Longbridge itself has been the subject of a recent regeneration plan which has included the development of the 'town centre' with a large Sainsburys superstore, Marks and Spencer, Boots and other retail and leisure outltets.

Nearby Longbridge Railway Station provides commuter services on the Cross City Line to Birmingham New Street and beyond.

An ideal location therefore for this well maintained and extended semi detached house which has a pleasant garden to the rear with play house and access to a large shed that leads directly to the garage. The property benefits from a mostly boarded loft space with ladder and light, a full width front driveway and an extended kitchen.
