ESTATE AGENTS

A two-story brick house with a tiled roof. The house has a white front door and a large white-framed window on the ground floor. There are two windows on the upper floor, each with white shutters. A dark brown double garage door is visible on the left side of the house. The house is surrounded by a well-maintained garden with a large tree on the left and a dense green hedge in the foreground.

Binton Road

Shirley

Offers Around £459,950

Description

Binton Road is a popular residential road situated between Neville Road and Loxley Avenue. Constructed in the late 1950's this cluster of similar properties are located in a most convenient position close to the amenities of Shirley, yet in close proximity to woodland, the bridle path and the fisheries along Bills Lane.

Along the A34 Stratford Road there is an excellent choice of shops, business premises, restaurants and pubs which are augmented by the superstores sited on the retail park on Marshall Lake Road.

There are well regarded schools in the area including Our Lady of the Wayside Roman Catholic School, Haslucks Green Junior School and Burman Infant School. We are advised that the property currently falls into Light Hall Senior School catchment area. All school catchments are subject to confirmation from the local education department.

There is a thriving business community in the Shirley area which extends south along the A34 to the Cranmore, Widney and Solihull business parks and on to the Blythe Valley Business Park which is sited on the junction with the M42 motorway which provides access, via its junction with the A45, to The National Exhibition Centre, Birmingham International Airport and Station.

An excellent location therefore for this renovated detached house which is set back from the road behind a front driveway with hedgerow screening to the fore. Refurbished throughout the well proportioned property has great space to the ground floor with the useful additions of the shower room and utility space. The property is offered with the benefit of having no upward chain.
