Description

Newborough Road leads from Haslucks Green Road in which is sited local shops, Shirley Railway Station, access to Shirley Park and Haslucks Green Junior School, with Burman Infant School leading from it via Velsheda Road. We are advised that senior schooling for the area is at Light Hall School, although education facilities are subject to confirmation from the Education Department.

A local bus service operates within Newborough Road and a local terminus exists at its junction with Baldwins Lane where there are further local shops. The main shopping area is on the main A34 Stratford Road and also here one will find a thriving business community which extends down onto the Cranmore, Widney and Monkspath Business Parks, and beyond here to the Blythe Valley and Provident Business Parks which straddle the junction with the M42 motorway. A short drive down the M42 will bring you to the National Exhibition Centre and Birmingham International Airport and Railway Station.

The main shopping area will be found on the main A34 Stratford Road, a little over a mile from the property. Here one will find a wide choice of shops ranging from small speciality and convenience stores to a choice of major supermarkets and Superstores on the Marshall Lake Retail Park, a wide choice of restaurants and hosteleries, access to Shirley Park, and a thriving business community which extends south down the Stratford Road to the Cranmore, Widney, Monkspath and Solihull Business Parks and Blythe Valley Business Park which is situated on the junction of the M42 motorway. A short journey down the motorway will bring you to the National Exhibition Centre and Birmingham International Airport and Railway Station.

An excellent location therefore for this extended traditional semi detached house which is presented well throughout. The property has a full width extension across the back enlarging the kitchen and rear reception room. There is a pleasant garden to the rear with a useful store room with power (not tested). The front driveway also has wiring for an EV charger.
