Monkspath
Offers Around £315,000

Description

Dunley Croft is situated off Rainsbrook Drive which is located on the fringe of the popular Monkspath Development and this renovated property offers well proportioned accommodation suiting the modern family.

In nearby Shelly Crescent one will find local shops together with public house and restaurants, doctors and dental surgeries and Monkspath Junior and Infant School. Shelly Crescent joins Monkspath Hall Road along which regular bus services operate to the town centre of Solihull or in the opposite direction to the A34 Stratford Road in Shirley. The A34 gives access to the city centre of Birmingham via Shirley or in the opposite direction to junction 4 of the M42 motorway. At junction 6 is access to the National Exhibition Centre, Resorts World, Motorcycle Museum and Birmingham International Airport and Railway Station.

Solihull boasts its own main line London to Birmingham railway station, opposite which is Tudor Grange Park and leisure centre and Solihull College. Close to the property is Widney Manor Railway Station offering local services.

An ideal location therefore for this modern semi detached house built originally by Westbury Homes in the early 1980's and has been extended to the rear to provide a dining area. The property is in need of some updating and offers an opportunity for a new purchaser to really put their own stamp on the property. The house benefits from a guest cloaks WC, driveway, garage and a nice sized rear garden and is being sold with no upward chain.
