Cheswick Green
Offers Around £425,000

Description

Cheswick Green was originally developed in the 1970's as a self contained 'modern village' in the countryside, and it has lived up to its original design brief from the outset. It benefits from its own small parade of shops, doctors surgery, community centre, children's play area, village pub and central village green. As with all villages, there is a community nursery, junior and infant school. Local bus services act as a school service for children going to the senior schooling in Solihull, for which we are advised that Alderbrook is the catchment school for this area. Education facilities are subject to confirmation from the Education Department.

There is easy access by road via the A34 Stratford Road to the M42 motorway, and a short journey down it will bring you to the National Exhibition Centre and Birmingham International Airport and Railway Station.

The main shopping area in nearby Shirley has an excellent array of shops, business premises, restaurants and hostelrys coupled with central Solihull which boasts the modern and vibrant Touchwood Development and the traditional high street.

An ideal location therefore for this detached property which occupies a pleasant position on a slightly large than average plot. The house has been in the current ownership in excess of 50 years and therefore does require some updating but has the benefit of being sold with no upward chain. The property benefits from a conservatory extension to the rear which gives a good sized extra living space.
