## Description

The modern village of Dickens Heath lies approximately two miles from Shirley town centre.

The former farm land has been developed over recent years by a number of house builders. Centred around a village green and shopping area offering a variety of local shops, hostellers, offices and residential property set along a traditional style 'High Street' and nearby the impressive Waterside development provides access directly to the canal towpath walk way along the picturesque Stratford upon Avon canal.

The main shopping centre in nearby Shirley offers a wide choice of Supermarkets, convenience and speciality stores, restaurants and hostellers and there are frequent bus services running along the A34 into Birmingham City Centre and Solihull Town Centre – boasting the vibrant and modern Touchwood Centre offering shopping facilities and evening entertainments. Shirley has its own train station in Haslucks Green Road, providing a train service to Birmingham City Centre and Stratford upon Avon.

Off the main Stratford Road leads Marshall Lake Road boasting the Retail Park and further down the A34 one will find the Cranmore, Widney, Monkspath and Solihull Business Parks, and on to Blythe Valley Business Park which can be found at the junction with the M42 motorway, providing access to the Midland Motorway Network. A short drive down the M42 to Junction Six, you will find Birmingham International Airport and Rail Station.

Situated along Main Street which is a continuation of the main high street, this purpose built apartment forms part of the prestigious Garden Squares Development which are complexes of apartment buildings and town houses built around a central gated communal garden area.

The communal grounds can be accessed via secure gates from Main Street or by steps and a lift that rise from the underground car parking where the property has two allocated spaces. From the central garden area, a door opens to the South Terrace block communal area which has stairs ascending to the first and second floor apartments.
