Old Dickens Heath Road
Dickens Heath
Offers Around £485,000

Description

Dickens Heath can be found approximately two miles from Shirley town centre and four miles from Solihull town centre. The former farmland has been developed over recent years by a number of house builders to provide a modern residential development centred around a central High street and village green.

Old Dickens Heath is situated in the heart of the development and forms one of the early phases which are laid out like traditional village streets with pretty architecture to compliment the design. As a whole, the entire village benefits from the close proximity of open countryside and the canal, where canalside walks will take you through to Birmingham Centre and Earlswood Lakes. The village boasts its own junior and infant school, and secondary education can be found at nearby Solihull secondary schools, including Light Hall and Alderbrook. Education facilities are subject to confirmation from the local Education Department.

The main shopping centre of nearby Shirley offers a wide choice of supermarkets, convenience and speciality stores, restaurants and hostelries, and there are frequent bus services along the A34 into Birmingham city centre and Solihull town centre boasting the vibrant and modern Touchwood Development offering shopping facilities and evening entertainment.

Shirley has its own train station in Haslucks Green Road, providing a service to Birmingham city centre and Stratford-upon-Avon, and also close to the village is Whitlocks End Railway Station which also provides a service to these destinations.

Off the main Stratford Road leads Marshall Lake Road boasting the Retail Park, and further down the A34 one will find the Cranmore, Widney, Monkspath and Solihull Business and leisure park, and onto the Blythe Valley Business Park, which can be found at the junction with the M42 motorway, providing access to the midland motorway network. A short drive down the M42 to junction 6 will find National Exhibition Centre and Birmingham International Airport and Railway Station.

An ideal location therefore for this impressive double fronted detached house which was originally constructed by Redrow Homes to their 'Farnham' design and is being offered for sale for the first time since it was built. The property boasts four double bedrooms and two en suite shower rooms, On the ground floor the two main living areas are dual aspect front to back and to the rear of the property is wide walled rear garden with direct access to the single garage which has driveway parking. Viewing is recommended to appreciate the accommodation on offer and the pleasant position of this great family home.
