Description

This tastefully presented purpose built first floor maisonette is situated in a small cul-de-sac located just off the main Stratford Road close to the town centre of Shirley. Along the main road run regular bus services into the City of Birmingham and nearby central Solihull, where there are excellent shopping and business facilities.

Festooned along the Stratford Road are an excellent range of shops, including a wide choice of Supermarkets and Superstores on the nearby Retail Park. A thriving business community exists along the Stratford Road and this extends down to the Cranmore, Widney, Monkspath and Solihull Business Parks, and beyond here a journey of some three miles from the property, to the M42 motorway, forming the hub of the Midlands motorway network.

Schooling in Shirley is of considerable renown. We are advised that junior and infant schooling is catered for at Haslucks Green Junior and Burman Infant School, with senior schooling for the property being at Light Hall School. There is Our Lady of the Wayside Roman Catholic Junior and Infant School on the Stratford Road and the town centre of Solihull boast Sixth Form Colleges. Education facilities are subject to confirmation from the Education Department.

An excellent location therefore for this well presented first floor maisonette which is set back from the road behind a lawned foregarden with paved pathway access leading to the bin store and front door. Inside the property stairs rise to the living accommodation which is accessed via a central living room. The vendor is offering the opportunity to purchase the property furnished and equipped as is seen and is leaving the floor coverings and recently installed plantation shutters. Outside there is ample residents parking and there is a single garage located in the block opposite. The property benefits from having an extended lease and is offered with no upward chain.
