Description

These well designed duplex maisonettes are constructed on a two storey basis and this property is accessed from its own front door off the close itself. The feeling of living in a house is generated internally with the layout of the accommodation having a traditional entrance hallway with staircase rising to the bedrooms situated on the first floor.

There are local shops in Oxhill Road and along Yardley Wood Road and excellent shopping will be found at The Maypole with the Sainsbury's superstore, and along the Alcester Road into Birmingham through Kings Heath. Alternatively one could choose to shop on the A34 Stratford Road, approximately four miles away. Here one has an excellent range of shopping ranging from small speciality and convenience stores to a choice of major supermarkets and Superstores on the Retail Park.

There is easy access down the Stratford Road to the M42 which forms the hub of the national motorway network. A thriving business community exists along the Stratford Road culminating in the Blythe Valley Business Park on the motorway junction.

Leading off High Street is Peterbrook Junior and Infant School and we are advised that senior schooling is catered for at Light Hall School in Shirley, subject to confirmation from the Education Department.

A most convenient location therefore for this property which is accessed directly from the front and has a directly accessed courtyard garden to the rear.

The property is currently rented out and while the current tenant has expressed a desire to remain in the property; should a buyer not be an investment purchaser then the property will be offered with vacant possession. Properties of this nature are currently renting in the location for around £950 per calendar month and if any landlord or potential landlord is interested in discussing this property we can arrange for you to talk to the lettings team at Melvyn Danes.
