A stunning three bedroom house in the sought after Canton area of Cardiff. The property will be let unfurnished and has just been renovated to a high standard.

A spacious through lounge with an original fire place leads to a modernised kitchen with fitted appliances. The rear garden has been paved with a brick flower bed around the edges.

On the first floor there is a tiled bathroom with a large shower cubicle. The front two bedrooms are large and the whole property has great sources of light. There is wooden floor throughout the property with carpets on the stairs.

This property is only open to professionals, further references will be required.
