Ground Floor

Dining Room

Bright and stylish, the dining room offers ample space for a full dining suite. Finished with modern wood-effect flooring and crisp white walls, the room feels open and contemporary. A large front-facing window provides excellent natural light and makes this a superb space for hosting meals and family gatherings.

Lounge

A welcoming front reception room featuring soft, neutral décor and carpeted flooring, creating a warm and comfortable setting. A wall-mounted TV space and built-in media unit keep the area neat and functional, while glazed internal doors lead through to the dining room, allowing a natural flow between living spaces.

Kitchen

Finished with modern white cabinetry, contemporary metro-style tiling and contrasting worktops, the kitchen provides generous storage and preparation space. Integrated oven, generous work surfaces and space for appliances make this a highly practical and attractive cooking space. A window overlooking the garden allows views to the rear, and the kitchen leads through to a utility area.

Utility Room

A useful walk-through area providing additional storage and appliance space, perfect for shoes, coats or a second fridge/freezer. A door leads directly to the rear garden.

First Floor

Bedroom One

A stylish principal bedroom with fitted wardrobes, neutral décor, and a recessed media area. Two windows allow plenty of natural light, creating a spacious and airy feel. The built-in wardrobe storage maximises the room's practicality while maintaining a sleek finish.

Bedroom Two

A generous second double bedroom, also tastefully presented with modern tones and carpeted flooring. Excellent proportions and natural light make it ideal as a guest bedroom, office, or children's room.

Family Bathroom

A surprisingly large first-floor bathroom fitted with a full-size bath and shower over, pedestal wash basin and WC. Modern contrasting tiles along the bath area pair beautifully with the herringbone-style flooring. A frosted window offers privacy while maintaining light, and built-in storage cupboards add convenience.

Second Floor

Attic Room

Situated on the upper floor, this versatile attic/roof room offers excellent storage or potential as a home office, hobby space or dressing room. With fitted wardrobes and shelving already in place, it's a superb bonus area to utilise.

Outside

Rear Elevation

A long enclosed rear garden, mainly laid to lawn with a central pathway, outbuildings and storage sheds. The size offers huge potential for landscaping, entertaining space or raised beds. Ideal for families, pets or anyone who loves outdoor space.
