A very spacious open-plan area for all the family, currently with neutral carpet and decor, stylish fitted plantation shutters to the bay window at the front of house affording plenty of natural light, and a fireplace with potential. There is potential in our opinion to separate this area into two rooms with the use of bi-folding doors, subject to the new owners wishes, or alternatively, you may wish to separate this whole area from the dining room to the rear also. The space and potential is there, the choice is yours.

### Garden

Directly to the rear of the house is a good size decked patio area in need of some TLC, alternatively potential to pave as the new owners see fit. From here there is a fantastic size lawn garden with greenhouse at the bottom, a perfect blank canvas for all those gardening enthusiasts.
