Climb the stairs and step right into your 190 square foot front lounge, smoky grey engineered hardwood floors flow underfoot and twin oversized double glazed windows let natural light stream in. Next door is the kitchen, with dark smoky vinyl underfoot and complementary cabinets below deep toned worktops.

Up on the next floor, both bedrooms are substantial doubles of more than 110 square feet apiece, no box rooms here. Both are softly carpeted in grey, with the high ceilings of the period and plenty of natural light. Finally, your bathroom finishes things off in style, with more smoky grey hardwood style vinyl underfoot and smart new tilework from floor to hip.

Outside, and city workers will be happy to know Hackney Downs overground station is less than twenty minutes on foot, or around seven by bike. From here it's just nine minutes direct to Liverpool Street, for a door to door City commute of less than half an hour. Alternatively Hackney Central station is less than twenty minutes on foot and will get you straight to Stratford in eleven for a huge array of onward connections as well as Westfield shopping centre.
