#### IF YOU LIVED HERE...

You would step into a light filled open plan kitchen and reception room, where large windows frame those open, panoramic views and draw in plenty of natural daylight. The living space is generous and easy to arrange, with room to dine as well as relax, while the kitchen is neatly integrated with sleek cabinetry and clean lines that keep the overall look calm and uncluttered. Being on the top floor gives the whole apartment a sense of openness, with sky above and rooftops stretching out beyond.

The two bedrooms are thoughtfully positioned for comfort and privacy. The principal bedroom enjoys its own en suite shower room, finished in a contemporary style, while the second double sits close to the main bathroom, making the layout especially practical for guests, sharers or a small family. Both bathrooms are well maintained and cohesive in design, and the apartment as a whole is beautifully kept, ready to move straight into. Outside, your allocated parking space behind security gates adds everyday ease, a welcome luxury in such a central location.

#### WHAT ELSE?

You're just a short walk from Walthamstow Central Station, where the Victoria line and Overground offer swift, reliable connections into the City and West End.

The independent shops, bars and restaurants of Walthamstow Village are close by, offering everything from relaxed brunch spots to cosy evening dining.

For green space, Lloyd Park is within easy reach, home to the William Morris Gallery and plenty of room to stretch your legs.

#### A WORD FROM THE EXPERT..

"I love living in Walthamstow – it's got such a great mix of things going on. Saturdays are my favourite, with the market in Lloyd Park full of fresh food, handmade bits, and plenty of friendly faces. The new Soho Theatre has brought amazing shows right to our doorstep, and if I fancy a pint, the Blackhorse Beer Mile breweries are perfect for a wander. When I need some fresh air, the Walthamstow Wetlands are just a short stroll away – all that greenery makes you completely forget you're in London. Plus, with brilliant transport links, it's so easy to hop on the Tube or Overground and be in Central London in no time at all".
