A WORD FROM THE OWNER...

"I have lived in Atkins Square for 6 1/2 years now and in Hackney for 10yrs. Each block has its own community and residence look out for one another. Hackney is an amazing borough with plenty of ongoing investment in environmental and social initiatives and we're lucky to be run in such a forward thinking manor. Hackney Central and Hackney Downs are currently undergoing significant improvements to improve its green credentials and make it more pedestrian and cycle friendly. A short walk to London Fields and plenty of cafes, restaurants and nightlife in the surrounding areas. Atkins Square is served well by 2 overground lines and so many great bus routes you can get to so many places in the city super easily. Hackney and Atkins square will always hold a special place in our hearts."
