IF YOU LIVED HERE...

Beyond the striking brickwork, the reception space is bright yet warm and inviting. A neutral colour palette, paired with white wood flooring, enhances the sense of space, while period features such as a ceiling rose add character and charm.

To the rear, the kitchen-diner is perfectly positioned and thoughtfully designed, featuring smart appliances, inky blue cabinetry, and a convenient breakfast bar. Generous patio doors open onto a large south-west facing, sun-trap garden, perfect for both seasoned and budding gardeners. A fully powered studio at the rear adds valuable versatility.

Upstairs, you'll find three bedrooms, all styled to the same immaculate standard as the ground floor. The bathroom is particularly impressive, complete with a freestanding tub and a sleek walk-in shower.

Handily, it's a short walk from Highams Park station, where you

can nip to Liverpool Street on the Weaver Overground in around 25 minutes. Despite being so well connected to central London, the picturesque woodland and quaint amenities make Highams Park something of a hidden gem in the capital. As well as having a thriving food scene, the area is home to a vast amount of green space, including, of course, Highams Park itself, which houses a tranquil lake, flower meadow and fun-packed playground. It's also only a short hop to Walthamstow for even more top-class amenities, plus the handy interchange to London Underground's Victoria line.

WHAT ELSE?

- You'll find a thriving food and drink scene around the quaint centre of Highams Park. Be sure to check out Vino Tap, The Stag & Lantern Micropub and Yaz, but there are many other hidden gems.
- Drivers can be on the North Circular in just a few minutes, or the M25 in about 15 mins.
- Parents will be pleased to know you have an abundance of great schools in the area, one of the reasons it's such a popular area with families.

A WORD FROM THE EXPERT...

"Around the corner from our E4 office are The Stag and Lantern and Vino Tap, known for their craft beers and natural wines. If you fancy a nice coffee pop into Biba & Wren Coffee Shop or pop over to Grace and Albert for anything gift or homeware related. My favourite local walk to where I live is through Epping Forest from Highams Park to Chingford Plains, ending at The Butlers Retreat. If you fancy a bike ride The Lea Valley is expansive and offers plenty of different routes in and out of London. The area is the perfect halfway house, offering all the benefits of London but with the green space and community feel of a countryside village! I also love the variety of different architecture on offer throughout E4".
