**A WORD FROM THE OWNER...**

"What I have loved about living in my house is watching the forest and wildlife in front of my home and opening the front door in early hours of the morning to let the forest air in. I have loved sitting in the forest and watching the sunset on the reservoir from the bedroom. I remember seeing a stag while walking through the forest plus seeing a deer. I have enjoyed the calm and friendly bus rides to Chingford Station and Chingford Mount and visiting Enfield Town across the reservoir. It has been easy to get to cafes, pharmacies and shops. The location is very convenient as I am not far from Chingford Station so I can either go to Liverpool Street or take the train to Walthamstow. I have got to know some of the people in my neighbourhood. They are very friendly and supportive. During the Pandemic we all helped each other out with shopping. When my mother passed away one of my neighbours gave me flowers. The children's park in Drysdale Road is a lovely spot to sit and rest. Organic Lea is about five minutes away through the forest where fruit and vegetables are sold. Also, there's a park next to it which it's a beautiful spot to sit and meditate while watching the ducks and other wildlife. I am very lucky to have lived 5 minutes away from Yardley Primary School, which is in the top 1% of state schools in the country for outstanding results. Overall I have made some lovely memories here."
