#### IF YOU LIVED HERE...

If this is your first time in the area, prepare to be wowed, but let's start by exploring your 865 square foot home...

You're set up well with the bright and immaculately finished front reception, with its generous windows, soft carpeting and traditional style features such as the brick fireplace. Head through the charming archway to the rear for your smartly designed kitchen/diner, which is the perfect spot for entertaining with its sleek units and high spec appliances. There's ample storage and an abundance of natural light flooding in from the spacious rear garden, which has a lush lawn and handy storage ready. The cleverly planned passageway providing side access will be a fantastic convenience here, too.

On the first floor, you've got two spotless bedrooms and contemporary family bathroom, which has an over-tub shower.

You'll love being so close to the nature of Epping Forest but also within easy reach of the city; Chingford station is 0.9 miles away, where you can get to Liverpool Street on the Weaver Overground in around 25 minutes.

As well as the sprawling forest, you're within walking distance of Pimp Hall Nature

Reserve - a brilliant place for the community to come together.

Chingford itself has a thriving food and drink scene. Looking for a recommendation? The Royal Forest was recently taken over by Raymond Blanc's Heartwood Collection as part of a multi-million pound refurbishment. The area is also now home to Gina's, a newly opened chophouse from acclaimed pastry chef Ravneet Gill and her husband, already tipped by British Vogue as having the potential to become "London's new foodie hotspot." It's 0.8 miles away.

#### WHAT ELSE?

- Drivers can be on the M25 or North Circular in around 10 minutes.
- Not only do you have the option of getting the Overground all the way to Liverpool Street directly from Chingford station, you can also change three stops down the line at Walthamstow to access the speedy Victoria line to the West End. There's a good bus network in the area too.
- As well as having the sprawling Epping Forest on your doorstep, you've also got some incredible outdoor pursuits around the River Lee's reservoirs, including Lee Valley Athletics, Lee Valley Golf Course and the London Watersport Company.

#### A WORD FROM THE OWNER...

"One of the standout features of this property is its fantastic location – just off Station Road with its range of shops, and close to Chingford Station offering direct trains to Liverpool Street or easy underground connections via Walthamstow Central. The property also benefits from being in an area with excellent school catchments, surrounded by highly rated Ofsted schools. Inside, the home offers unusually large bedrooms – the main with two additional spaces perfect for cupboards/storage, and a second that's equally spacious with plenty of room for bed, storage and desk space. The kitchen extension is a big selling point, creating a truly impressive space with ample room for a dining area – perfect for entertaining, and far larger than what you'd typically expect from a two-bedroom home. The partially converted loft has windows and carpeting, presenting great potential for a third bedroom. Outside, the garden is generous and includes a brick-built, fully electric shed which could easily be transformed into a home office or gym. Our property combines modern living with fantastic scope for future potential."
