A WORD FROM THE OWNERS...

"Words can't express how much we have loved living in this very special flat.

What drew us in immediately was the character – high ceilings, beautiful proportions and a stained glass window that gives the space a real sense of charm and individuality. The living room is a fantastic size, perfect for both relaxing and entertaining, and filled with natural light throughout the day.

It's a home that works effortlessly year-round, staying cool in the summer and warm and cosy in the winter.

The location has been equally special, with both Wanstead and Snaresbrook stations just a short walk away, and Gail's, local cafés and a real sense of community right on your doorstep. Having a dedicated parking space has also been a huge bonus day-to-day.

It's a home we will truly miss."

➤➤ IF YOU LIVED HERE...

You'd step into a central hallway where deep painted walls, stripped timber floorboards and a coloured glazed fanlight set a quietly characterful tone. From here, the reception room opens out at the front, forming a beautifully bright space. The bay window brings in plenty of natural light, while the high ceilings, ornate cornicing, fireplace and fitted alcove shelving give the room a sense of elegance and ease. It is a generously sized space, with more than enough room to stretch out, entertain or settle in with a dining table as well.

The kitchen is set separately off the hall, finished with shaker style cabinetry, timber worktops and a soft dusky palette that feels both practical and considered. To the rear, the bedroom is a good double with a peaceful outlook and a simple, restful feel, while the bathroom is neatly arranged with a bath and overhead shower, natural light and a useful storage cupboard alongside. Presented in good decorative order throughout, this is a thoughtfully arranged home in one of Wanstead's most well loved pockets.
