IF YOU LIVED HERE...

Extending to 471 square feet, this apartment offers a welcoming space you can truly feel at home in from day one. Beautifully finished throughout, it provides the perfect backdrop for settling in and getting to know the local area.

The spacious open-plan lounge and kitchen are naturally bright thanks to the south-west facing windows, with a clever layout that subtly separates the areas without interrupting the flow of light. There's ample space for both relaxing and dining, while the kitchen is sleek and modern, fitted with pristine appliances and contemporary finishes.

The bedroom is generously proportioned with immaculate decor, and the modern bathroom features contemporary fittings. Storage has been well considered throughout, including handy built-in cupboards in the hallway.

Outside, the vast green space of Roding Valley Park is a short stroll away, while Epping Forest is a similar distance in the other direction. Even closer to home, you'll find all the amenities of George Lane. Despite the peaceful village-esque ambience, this area is packed with shops, supermarkets (Marks & Spencer or Waitrose - take your pick), restaurants and bars, not to mention the Odeon cinema for that big screen experience.

As for getting further afield, South Woodford station is just four minutes on foot. From here the Central line can take you to Liverpool Street in just another 20 minutes.

WHAT ELSE?

- Make the Railway Bell your new local - it's only a short hop away after all, plus it has friendly staff, and a great selection of drinks.
- Mark your calendar for every third Sunday of the month, when the South Woodford farmers market is held. Expect to find high-welfare meat, artisan baked goods and handcrafted arts.
- Fancy unleashing a bit of creativity? Head down to Creative Biscuit for a coffee and dabble at painting pottery. It's an easy walk from your home.
