➤➤ IF YOU LIVED HERE...

The undeniable highlight of your new home is the 260 square foot, open plan kitchen and lounge. With double height ceiling where it's overlooked by your mezzanine, this is an incredible space. Engineered blonde hardwood flows underfoot and the kitchen's decked out in pristine white cabinetry, with dark glossy countertops and integrated appliances.

Elsewhere, your family bathroom's an elegant boutique affair, with oversized smoky grey tilework and a shower over the tub. Bedroom one, a 130 square foot double with twin windows, completes the first storey. Upstairs, and your mezzanine sits below grand curved ceilings, with glazed balustrades overlooking the lounge area. Currently in use as a home working space, this is also ideal for your principal bedroom, with an en suite sat to the rear.

Outside and, as noted, it's just five minutes on foot to Leyton tube station. From here the Central line will get you to Liverpool Street in just eleven minutes, for a door to door City commute of under twenty. The West End is just twenty minutes direct. Staying local, Leyton High Road offers a variety of wining and dining spots, including the Leyton Engineer, a delightful gastropub just steps away.
