#### IF YOU LIVED HERE...

It's hard not to be impressed by the sense of space on offer here. Extending to over 1,350 square feet, the layout provides plenty of flexibility to shape the home around your lifestyle.

Arriving via the driveway, you step into a smart porch that sets the tone. To the right, the living room is filled with natural light from large windows. To the rear, the kitchen/diner extension is a real standout, featuring sleek units, integrated appliances and a breakfast bar, creating a perfect space for everyday living and entertaining. A convenient shower room completes the ground floor.

On the first floor, there are two well-proportioned bedrooms, a separate study, and a thoughtfully designed family bathroom. The second floor offers two further bedrooms, one benefiting from useful eaves storage, along with an additional shower room, providing excellent flexibility.

- Parents will be delighted to find that there are some brilliant primary and secondary schools in the area - one of the reasons why this area has become so popular.

#### A WORD FROM THE OWNER...

"We originally chose this property as our long-term family home, drawn to the area to be closer to family who had moved here a few years before. The location was ideal for us: close to highly regarded schools, local shops, and excellent transport links.

Inside, the house offered exactly what we needed—a spacious ground floor for daily family life and 4 bedrooms. We envisioned staying here for many years, but an unexpected change in circumstances means we are moving on sooner than planned. It has been a perfect fit for us, and we hope the next owners enjoy it as much as we have."
