A superb four bedroom Victorian semi detached house which is in a prime location being very close to Hockerill Anglo-European College and Herts & Essex Girls High School. It is also within a few minutes walk of the railway station.

The accommodation which is laid out over three floors, has been extended and improved over the years to make it an ideal family home with four large bedrooms, a bathroom and two shower rooms. The ground floor starts with an arched entrance porch leading to the entrance hall. To the front of the house is a bay fronted sitting room with attractive working fireplace. The rear of the ground floor features an enormous open plan room which starts with a family or dining room with another attractive fireplace. The front garden has a wide driveway with room to park two cars side-by-side and there is an EV charging point.

As previously mentioned, many of the town's amenities are within a short walk. The station is on the Cambridge to Liverpool St. line, offering a frequent commuter service either way as well as a link to Stansted Airport.
