2 Bedroom

46 Gannet House, Hartington Place, Eastbourne, BN21 3BL

Probably one of the best value penthouse apartments currently available in Eastbourne, offering an incredibly rare combination of space, views and outdoor living. Originally designed as a three bedroom apartment, the current owners have cleverly relocated the kitchen into the former third bedroom, creating a much larger living space. The sitting room also features a raised dining area, allowing you to enjoy dinner with spectacular sea views. There are two double bedrooms, two bathrooms and a truly impressive wrap-around roof terrace extending around the apartment. The panoramic views stretch from the South Downs across the coastline towards Hastings, with terraces and outside space providing multiple vantage points. The apartment also benefits from two allocated parking spaces, both conveniently positioned immediately beside the main entrance, as well as lift access, a share of the freehold and a long lease. Offered chain free, this is a genuinely unique property with enormous potential to create an exceptional penthouse home.

We have tried to make sure that these particulars are accurate but, to a large extent, we have to rely on what the seller tells us about the property. Once you find the property you want to buy, you will need to carry out more investigations into the property than it is practical or reasonable for an estate agent to do when preparing sales particulars. For example, we have not carried out any kind of survey of the property to look for structural defects and would advise any homebuyer to obtain a surveyor's report before exchanging contracts. If you do not have your own surveyor, we would be pleased to recommend one. We have not checked whether any equipment in the property (such as central heating) is in working order and would advise homebuyers to check this. You should also instruct a solicitor to investigate all legal matters relating to the property (e.g. title, planning permission, etc) as these are specialist matters in which estate agents are not qualified. Your solicitor will also agree with the seller what items (e.g. carpets, curtains, etc) will be included in the sale.
