Whitebridge House Whitebridge Road, Onchan, Isle Of Man, IM3 4HP

Deanwood is delighted to present Whitebridge House — a beautifully refurbished detached residence extending to approx. 7200 sq.ft., set within 1.2 acres of mature grounds. Accessed via a gated drive-in/drive-out entrance, the property offers ample off-street parking, a double garage, and a welcoming approach to the main house.

The principal dwelling has undergone extensive renovation and offers light-filled, spacious accommodation. On entry, you are welcomed by a bright reception hall leading into a stunning open-plan kitchen, living, and dining area. The bespoke Hacker Kitchen is fitted with premium integrated appliances, including two dishwashers, three ovens (steam, combi-microwave, and conventional), warming drawer, induction hob with built-in extractor, full-height fridge and freezer, under-counter fridge, and a Quooker Cube tap providing filtered, boiling, and sparkling water.

The ground floor also features a cozy snug, home office, utility/boot room, and guest WC. The first floor hosts four generously sized king bedrooms, three with en-suites, plus a luxurious family bathroom. An attic level is currently used as a playroom, and the owners have architectural plans for a striking new master suite.

The home benefits from triple glazing and underfloor heating throughout (excluding two bedrooms) and is serviced by oil-fired central heating.

A fully self-contained annex offers an open-plan kitchen/living area, double bedroom with en-suite, guest WC, and utility room. With a private entrance and garden access, it's ideal for multi-generational living or guest accommodation. It features underfloor heating, triple glazing, and an air-source heat pump.

Above the garage is further space suitable for additional annex use. The rear garden enjoys a southeast aspect, laid mainly to lawn with mature tree borders and a full-width sun terrace. Additional outbuildings include a detached garden room (ideal for entertaining), a large store room, and a log store.
