This exceptional four-bedroom detached home offers style, space, and modern comfort throughout.

Stepping through the front door, you are greeted by a warm and welcoming atmosphere, complemented by oak banister railings and elegant shaker-style wall panelling. The hallway also provides clever pull-out storage beneath the stairs.

Straight ahead lies a stunning open-plan hub of the home, combining the lounge, kitchen, and dining area into one impressive space. The lounge features a cosy log burner, and the dining area boasts bi-folding doors opening onto the garden. The contemporary kitchen is fully integrated with premium appliances including a Rangemaster cooker, dishwasher, Quooker instant hot tap, and floor-to-ceiling fridge-freezer. All cabinets and drawers are soft-closing, adding both luxury and convenience.

From here, a practical utility room and a ground-floor WC provide added functionality, while there is also internal access to the garage. A further welcoming separate living room completes the ground floor.

Upstairs, there are four generous double bedrooms. The principal bedroom benefits from fitted wardrobes and a stylish en-suite shower room. Additionally, there are bespoke fitted blinds and shutters installed throughout.

The rear garden is a true highlight. East-facing and beautifully arranged, it offers a combination of stone slabbing, paved seating areas, and a well-kept lawn. A charming pergola creates the perfect BBQ spot, while a raised decking area provides open views of Hopwas Woods, accompanied by a hot tub. The impressive summerhouse is currently set up as a bar, equally perfect as a home office or relaxation retreat.

There is side access on both sides of the property, along with parking available to the front.
