Situated in a the well stocked village of Ibstock this good sized three/four bedroom family home is beautifully set back from the road with an impressive long driveway.

Entering into the hallway which leads to large lounge, office/bedroom four and further inner hallway. The lounge dinner runs from the front to the back of the home and is a great family space with large window to the front and sliding French doors leading out to the impressive garden with a fabulous back drop of fields and mature trees, Leading off a door leads to the kitchen which is also placed at the rear with a fitted kitchen with space for appliances and large window to the rear also taking in the fabulous garden. A further door leads to an inner hallway with rear door to outside and a convenient wet room with shower and wc. Also on the ground floor is a further room currently being used as an office but equally would work as a snug or bedroom.

Upstairs you have three large bedrooms and impressively large bathroom.

We feel a huge appeal to this home is how far back it is set back from the road and the amazing plot to the rear, also the size of this home is most impressive.
