Royston & Lund are delighted to present this 2-bedroom apartment that offers a spacious and modern living arrangement, perfect for comfortable everyday living and entertaining.

The heart of the home is the open-plan living, dining, and kitchen area - an inviting, light-filled space thanks to two sets of French doors that open out to the rear of the complex, creating a seamless indoor-outdoor flow. The kitchen features warm wooden cabinetry, an induction hob, and an integrated fridge, blending both style and functionality.

Through the hallway, you'll find two generously sized bedrooms. The primary bedroom benefits from fitted wardrobe space and a sleek en-suite bathroom complete with a shower over the bath. The second bedroom, also with its own set of French doors leading to the rear, is perfect as a guest room, home office, or additional living space. The apartment also benefits from a second, well-appointed bathroom.

Each of the four French doors open to a private railed area at the back of the complex, offering a quiet retreat or a spot for morning coffee. Main entry to the property is via the hallway, and allocated parking is conveniently located adjacent to the garden and lounge area which would lend to a EV charging point.

*all the furniture and kitchen equipment can be included in the sale/ Leasehold property
