PRE-LAUNCH ANNOUNCEMENT

Royston & Lund are delighted to present a collection of luxury apartments to the market.

In collaboration with the renowned Lychgate Homes and David Granger Architectural Design, we are proud to introduce a thoughtfully restored selection of luxury two-bedroom apartments and an exclusive two-bedroom coach house, in the heart of the Market Town of Ashby-de-la-Zouch.

This beautifully renovated period property has been transformed with care and attention to detail, preserving its original character & charm whilst offering contemporary living standards. Each apartment boasts a unique layout and varying square footage, ensuring no two apartments are the same.

There is also a separate two-bedroom coach house with its own private garden. All homes benefit from designated parking and communal garden. The Ground floor apartments benefit private gardens.

Register your interest today to be among the first to hear more ahead of the official launch.

Please note: Images and descriptions are for illustrative purposes only and may not fully represent the final build. Specification and design variations may occur. Build completion dates are subject to change. For further details on customisations, optional upgrades, or specifications, please contact Royston & Lund.
