Guide Price of £400,000 - £425,000

This impressive four-bedroom detached home is arranged across three floors and offers well-considered, contemporary living throughout.

The ground floor opens into an inviting entrance hall, enhanced by subtle dado railing that leads through to the staircase and landing. To the left sits an generously-sized living room, featuring a walk-in bay window that adds both character and additional space.

Straight ahead from the hallway is a full-width kitchen and dining room, thoughtfully designed and fully equipped with an integrated dishwasher, washing machine, fridge-freezer, gas hob, oven and grill/microwave. Sleek, glossy cabinetry paired with matching neutral worktops, creating a clean and modern finish; while French doors provide direct access out to the garden. A convenient ground floor WC completes this level.

The first floor offers three well-proportioned bedrooms, two of which benefit from fitted wardrobes, while the third lends itself perfectly to use as a home office if not required as a bedroom. The family bathroom is finished to a high standard and includes a separate shower.

Rising to the second floor, a further set of stylish banister stairs leads to an impressive principal suite. This spacious bedroom enjoys a vaulted ceiling, deep fitted sliding wardrobes and a luxury en-suite shower room, enhanced by a Velux window that floods the space with natural light. All curtains and blinds included in sale.

Externally, the garden is south-facing and has been carefully landscaped with patio slabbing separated by sleepers, leading up to a raised lawn. To the rear, further raised sleeper beds provide space for planting, and there is useful side access via a gate. A large driveway sits to the side, leading to a detached garage which adds both practicality and a sense of privacy.

*Annual Maintenance charge of approx. £230
