A charming two-bedroom detached cottage set on a generous plot, offering an excellent opportunity for those seeking a renovation project. With over 100 years of history, the property retains character features while presenting scope for modernisation and personalisation.

The ground floor comprises two well-proportioned reception rooms, both featuring original fireplaces and exposed ceiling beams. The kitchen includes a range of fitted units but would benefit from updating, and also showcases attractive ceiling beams. Additional storage is provided by a useful pantry and a cupboard off the kitchen. A conservatory completes the ground floor, offering access to the garden.

Upstairs, the property features two spacious double bedrooms, each with its own fireplace, along with a large landing area that could serve as a study space. A family bathroom completes the first floor.

The extensive garden offers a true sense of countryside living, adjacent to open spaces and enjoying far-reaching rural views, creating a peaceful and private outdoor setting.

This property offers fantastic potential to create a unique home in a desirable setting.
