To the front, an electric gated entrance with voice intercom provides security and leads onto a generous driveway capable of accommodating multiple vehicles, ensuring both privacy and practicality.

Entering through the hallway with its exposed brick reveal, you are welcomed into a bright living room with bay window and log burner, creating a warm focal point. At the heart of the home, an extensive integrated kitchen with island showcases a stylish blend of traditional and contemporary design, complete with induction hob range cooker, wine cooler, dishwasher, fridge-freezer, and charming overhead wooden beams.

From here, a WC/utility room and a dedicated dining room connect the space, while straight ahead the conservatory with slate flooring, continued wooden beams and French doors opens directly to the garden.

The rear garden is a true highlight, featuring decking, a raised slabbed area, pond, and central water fountain, complemented by a summerhouse and even a jacuzzi room, both with multiple power sockets.

To the left of the hallway are the three bedrooms and shower room. The principal suite is particularly impressive, with ample space with an emperor bed, a walk-in wardrobe, a luxurious en-suite shower room, and additional built-in wardrobes. The remaining two bedrooms are well-proportioned and versatile, facing them is a shower room with a walk-in shower. The loft space is also fully boarded.
