Royston and Lund are delighted to bring to the market this three-bedroom semi-detached family home, located in the desirable village of Keyworth. Situated just a short walk from numerous amenities such as local shops, pubs, and cafés, Keyworth also benefits from well-regarded primary schools and an excellent Ofsted-rated secondary school. With excellent transport links, this property would be the perfect fit for first-time buyers or a growing family.

Ground floor accommodation comprises an initial porch which leads into the main living room, featuring a front-aspect bay window that floods the room with natural light, complemented by a fireplace, staircase to the first floor, and a window to the side elevation. The ground floor offers an open-plan feel, as the living room flows into the dining room through an archway, providing more than enough space to accommodate family and friends. Off the dining room is the kitchen, positioned to the rear aspect, which features high-quality base and wall units housing a Rangemaster oven, hob, and extractor hood, along with more than enough room for additional freestanding appliances. The kitchen also grants access to the rear garden via a back door.

To the first floor, there are three well-proportioned double bedrooms, all benefiting from storage space and sharing a three-piece shower room/wet room.

Facing the property, there is ample off-street parking via a spacious single driveway, which leads to a single garage, with lawn space to the left-hand side. To the rear, there is a landscaped garden featuring a full-width patio area to begin with, which leads onto a raised lawn divided by a pathway. Flower beds containing mature shrubbery and foliage complete the space, along with a further patio area to the rear.
