ROYSTON & LUND

Lilac Cottage Main Street

Bunny | NG11 6QU

£525,000

Royston and Lund are delighted to bring to the market Lilac Cottage, a three bedroom character cottage nestled in the heart of Bunny within the Bunny conservation area where it was recognised as a key unlisted building within the 2025 Conservation Review. Built around the 1850s, it was one of the original cottages adjacent to the Bunny Hall estate and is ideally located within walking distance to the local pub and village primary school. Not to mention having excellent transport links via the A60.

Immaculately presented and coated with high quality Farrow and Ball paint throughout the property has been lovingly restored whilst paying homage to its historical roots in retaining its original features.

The ground floor comprises a hallway that gives access into the main reception room which has a large front aspect bay window flooding the room with natural light, pieced together with a bricked fireplace containing a multi fuel burning Morso Squirrel Cleanheat stove for those winter months. To the rear of the lounge is another seating area leading to the kitchen. This in turn wraps round to a dining room through an inner hallway which contains a further fireplace before leading into a spacious conservatory from internal French doors. The conservatory is a generous size with surrounding windows and external French doors leading to the rear garden. The kitchen is an ample size with high quality integrated Siemens kitchen appliances such as an eye level oven, hob and extractor fan as well as fridge and freezer, dishwasher and washing machine. The kitchen further boasts traditional fitted oak fronted cabinets and stylish Corrian worktops. The ground floor has a separate study and downstairs W/C, along with ample under stair storage.
