Royston & Lund are delighted to market this detached bungalow occupying a generous corner plot in a quiet cul-de-sac in Edwalton. Offered to the market with no onward chain.

Planning permission has been granted for the creation of a first floor alongside a single storey rear extension to create a four/five bedroom two-storey property - planning ref: 24/01193/FUL. There is also the potential for the site to be split to create a separate, second dwelling - subject to relevant permissions being approved (initial conversations with the council have been favourable thus far - please ask for further details).

As it stands, the property measures just shy of 2000 sq.ft and whilst it would benefit from some cosmetic refurbishment it is a very good sized bungalow.

The current layout comprises an entrance lobby leading to a main hallway off which there is a lovely dual aspect reception room, a kitchen/breakfast room, a separate dining room which in turn leads to a conservatory, a master bedroom complete with en-suite four piece bathroom comprising a bath, separate shower, w/c and wash hand basin. The second bedroom also has the added benefit of an en-suite shower room whilst also leading to a small study which benefits from an integral door to the garage. A further third bedroom and family shower room complete the internal accommodation.

To the side of the property there is off-street parking available for two cars which in turn leads to a double garage. There is the possibility to create further parking to the front of the property next to the existing driveway. The front garden is currently mainly lawned with a pedestrian footpath from the road leading to the front door with a paved area running the width of the front of the bungalow and leading down to the side.

Total area: approx. 185.5 sq. metres (1996.3 sq. feet)
