Guide Price £250,000 - £260,000

GUID PRICE £250,000 - £260,000

One-off opportunity. Striking, spacious, architect design with full staircase to loft prepared for future conversion to bedroom and shower room subject to consents. . This property is ideal for those looking to potentially future proof their growth needs, with the extra loft space already readily accessible and part-prepared.

From the side entrance door, there is a good-sized hall with attractive central staircase, ground floor WC/Cloakroom. Doors lead off to a cleverly laid out dining kitchen across the whole front of the property, enhanced by two double windows giving lots of natural light. The generous rear living room is again full width with patio doors onto the rear garden.

The clever architect design again features on the first floor, with a striking front double bedroom with two large windows, and another double to the rear with built in wardrobe. The central landing has a large potential utility cupboard and door to a family bathroom with shower over the bath. The staircase winds round on itself and is another attractive feature, leading up to the second floor.

To the second floor there is a potential for future third bedroom and en-suite: The property was built with future loft accommodation in mind, with the specification including a full staircase to the loft, boarded loft floor and appropriate services within the roof space including water and soil pipe. Any future conversion would be subject to the relevant planning permission and Building Regulations approval. For information, the adjoining property obtained planning permission for conversion of its loft in 2018.

Facing the property there is a block paved driveway providing off-street parking. To the rear you will find a low maintenance garden with a patio area accessed from the patio doors off the lounge, with a lawned area enclosed by panel fencing with additional access via side gate.
