Facing the property, there is ample off-street parking via a single driveway, which leads up to a single garage with an electric up and over door. The frontage is enclosed by a brick boundary and features a well-maintained, shrubbed and patioed garden.

To the rear is a charming cottage-style garden, with a full-width patio off from the French doors to the living room extending around to the exit off from the kitchen, providing the perfect space for outdoor seating and alfresco dining while overlooking the pond. The patio steps up onto a well-maintained lawn, bordered by flower beds showcasing seasonal planting, along with neatly pruned trees and shrubs. Positioned at the rear of the garden is a dedicated vegetable and fruit patch, complete with a greenhouse and storage shed.
