Ground Rent: £150 Per Annum

Service Charge: £1,978.78

Disclaimer:

All costs of a major nature are taken from the reserve fund, and there are several projects that the management company are undertaking in the coming years as below:

- Concrete repair works to all 3 blocks
- Lift replacement (6) – doing one lift a year from 2026
- Fire Risk Assessment works – These contain fire stopping and compartmentation to all areas noted within the compartmentation survey
- Intercom upgrades to all blocks

It is standard practise to understand the indicative costs when carrying out any of the projects listed above, however the management company can not commit to firm costings until the second stage of consultation under section 20 of the landlord and tenant act 1985 as this letter gives a breakdown of the exact costs of the a project.

Note: The year end accounts for 2025 are audited within the first 6 months of the year end therefore they may or may not be a balancing charge applied to the account due to an overspend for that service charge year, similarly if there is an underspend a credit is applied to the leaseholders service charge accounts.
