Royston and Lund are delighted to bring to the market this stunning two-bedroom mid-terrace cottage located in Stoke Bardolph. Situated close to numerous amenities and just a short drive from Netherfield Retail Park, the property is also within the catchment area for well-regarded schools and benefits from excellent transport links into the City Centre, whilst still maintaining a beautiful countryside feel. This versatile property would make a great fit for first-time buyers, small families, or those looking to downsize.

The ground floor accommodation comprises a hallway upon entry, which leads into the two main reception rooms and the staircase to the first floor. The living room is generously sized and benefits from a large front-aspect window, flooding the room with natural light, complemented by a stylish brick fireplace housing a log burner. To the rear, the second reception room features a further log burner, along with a built-in recessed cupboard to the left-hand side, and a rear window overlooking the courtyard. The lovely vaulted kitchen presents high-quality base and wall units housing integrated appliances, including an oven, hob, extractor hood, along with a built in fridge freezer. The kitchen additionally provides access to a utility area and WC, and also leads to the rear courtyard via a back door.

To the first floor, there are two well-proportioned double bedrooms. Both bedrooms have useful recesses and alcoves that can be used for shelving and storage, and they share an immaculately presented four-piece bathroom suite consisting of a separate bath and shower, along with a wash basin and WC.

To the front of the property, there is a cottage-style wooden gate leading to the front door, along with a pebbled area enclosed by mature hedged borders.

To the rear, accessed from the kitchen, there is a beautiful sun-trapped courtyard, making it the perfect space for outdoor seating and al fresco dining. There is also a convenient brick-built store with double barn style single doors.

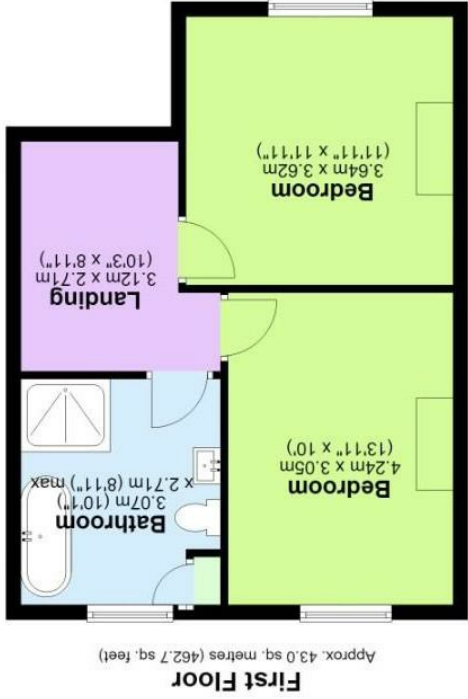

Continuing through the courtyard and across the shared access, there is ample space for off-street parking. The current vendors have also erected a large shed, ideal for storing tools and equipment, creating a workshop, or being utilised at the buyer's discretion.

The garden further benefits from a lawned area and flower beds displaying a beautiful mix of seasonal planting, along with mature bushes and shrubs to the borders. This is followed by an additional lawned area to the rear, leading to a vegetable patch. Altogether, the property enjoys an impressive plot, offering a wealth of outdoor space.
