THE PROPERTY

An excellent and rare opportunity for prospective purchasers to run a small business from the front shop, such as a hairdressers, clinic, dog grooming, or beauticians, etc., together with the benefit of adjoining and spacious residential accommodation, which has been extensively refurbished in recent years. The property further benefits from a detached one-bedroomed annex within the rear garden. This would suit dependent relative accommodation, or provide the opportunity for a potential investment with a rental income.

Early internal inspection is highly recommended to be fully appreciated.

At present, the front shop has a commercial use, with a current rateable value of £3,550 (three thousand, five hundred and fifty pounds). However, subject to planning, this could be reconverted back to a front living room, which would result in a spacious family home comprising; two reception rooms, dining kitchen, three bedrooms, ensuite, and main bathroom.

LOCATION

The property enjoys a popular and well-established residential location, within easy access of a range of amenities available within Chellaston and the nearby Shelton Lock, to include; day-to-day shopping, supermarkets, doctors and dentist surgeries, places of worship, hair and beauty salons, public houses, eateries, and schooling, together with regular bus services to Derby city centre. Ease of access is also afforded to the A50 for commuting throughout the region.

DIRECTIONS

When leaving Derby city centre by vehicle, proceed

along Osmaston Road, continuing through Allenton and Shelton Lock on Chellaston Road, which continues into Derby Road, then after passing The Bridge Inn on the righthand side, the property can be found a little further along, also on the righthand side.
