This recently renovated two-bedroom property in Millom town centre offers a convenient location near shops, schools, and the train station. It features all-new UPVC windows and doors installed in 2023. The ground floor includes a lounge, kitchen with dining space, utility room, and shower room. Upstairs, there are two double bedrooms and a bathroom. Additionally, the attic provides a versatile space, perfect for a home office.

On approach to the property, you enter through an anthracite UPVC door into a vestibule, which leads into the lounge. The lounge is enhanced by a gas living flame fire with a beech surround, creating a cozy atmosphere. Steps then lead up to the kitchen area, where one side offers ample base and wall units in a sleek white gloss finish, complemented by grey granite-effect worktops and an inset sink. The kitchen is equipped with an electric hob and inset oven, and there's plenty of room for a dining table. From the dining area, stairs lead to the first floor. Adjacent to the kitchen, a door opens into the practical utility room, which is fitted with additional base and wall units, along with plumbing and space for a washer.

The ground floor also features a convenient shower room, which includes a shower cubicle, WC, and pedestal hand basin. A door from the kitchen leads out to the spacious rear yard, which is perfect for outdoor relaxation and offers a storage shed and ample room for a seating area.

On the first floor, you'll find two double bedrooms and a bathroom with a WC, hand basin, and bath. A second staircase leads up to the versatile attic room, complete with Velux windows—an ideal space for a home office, craft room, or playroom.
