## Offers In The Region Of £320,000

*Nestled in the sought-after and picturesque village of Broughton, we are delighted to present for sale this immaculate three-bedroom semi-detached home. Rich in character, part of the property was once the village blacksmith's workshop, known as the Old Smithy, and has since been sympathetically converted and extended to create a stunning family residence.*

*Beautifully renovated throughout by the current owner to a high standard, all furnishings included in the sale. Externally, to the rear, there is a generously sized courtyard. Viewing is highly recommended to fully appreciate all that this unique property has to offer.*

As you step through one of the welcoming front doors, you are immediately greeted by a warm and inviting lounge that effortlessly combines comfort with character. The focal point of this cosy space is the charming gas-fired, wood-burning stove, neatly inset on a hearth and framed by a striking pitch pine exposed mantle, creating a perfect setting for relaxing evenings. A window to the front aspect, dressed with elegant shutter blinds, allows natural light to filter through, enhancing the ambience of the room. Tastefully decorated with neutral tones and finished with a soft grey fitted carpet. A handcrafted, bespoke staircase rises from this room, providing access to the first floor.

Beyond the lounge, an internal door leads you into a spacious and well-designed kitchen/dining area (an external door to the front of the property can also be found in this room) – truly the heart of the home. This impressive space has been fitted with an excellent range of solid oak base and wall units, perfectly complemented by a contrasting black work surface. A selection of integrated appliances, including a microwave, oven, hob, and sink with drainer and mixer tap. A breakfast bar, large enough to seat up to four people, makes this an ideal spot for casual dining or entertaining. The cream-tiled splashbacks and coordinating cream-painted walls, together with warm wooden flooring, give the room a bright and timeless appeal. A door to the rear provides direct access to the outside space, seamlessly blending indoor and outdoor living.

Also located on the ground floor is a useful utility area, complete with a secondary sink, along with a conveniently placed downstairs WC – an ideal addition for modern family life.

Moving to the first floor, you will discover a generous master bedroom, decorated in soothing natural tones and finished with a grey fitted carpet. This relaxing retreat benefits from built-in wardrobes, offering excellent storage, as well as a private en-suite bathroom. The en-suite is fully tiled for ease of maintenance and includes a WC, wash basin, and a shower cubicle, providing everything you need in a compact, stylish space.

Two further well-proportioned bedrooms are also found on this floor, making it perfectly suited for a growing family, guests, or even a home office setup. Completing the first-floor accommodation is the family bathroom, which boasts a modern four-piece suite in white. This includes a WC, wash basin, a full-sized bath, and a separate shower cubicle. Fully tiled walls add both practicality and a contemporary finish.

To the rear of the property lies a delightful courtyard garden, finished with attractive patio tiling underfoot. This low-maintenance outdoor area offers ample space for seating, making it an excellent spot for al fresco dining, summer gatherings, or simply enjoying a peaceful morning coffee. An outbuilding provides additional storage, further enhancing the practicality of the home.
