The home is complemented by its own private grounds, a driveway, a double garage, and seven additional outbuildings.

Nestled back from the main road and surrounded by the serene beauty of the countryside, this stunning detached property offers a rare opportunity to enjoy peaceful, private living in a truly idyllic setting. The approach is quiet and unassuming. The moment you arrive, there is a distinct sense of calm, with the house sitting proudly within its own grounds, set well away from the hustle and bustle including seven different outbuildings.

Stepping inside, you are welcomed by a bright and spacious entrance hall, to the left, a generously sized, multifunctional room presents itself with endless possibilities. Whether imagined as a stylish kitchen extension, a functional utility area, or a quiet study tucked away from the rest of the house, this space can be adapted to suit any buyer's needs. Adjoining this area is a neatly appointed three-piece bathroom, ideal for guests or family use, alongside a separate WC for added convenience.

To the right of the hall lies the first of two inviting lounge areas. This cosy space is centered around a charming fireplace, offering a warm and comfortable atmosphere for relaxing evenings. The second lounge, equally spacious and full of character, also features its own fireplace and enjoys an abundance of natural light. French doors open directly to the outside, seamlessly blending indoor and outdoor living and making it an ideal space for entertaining or simply enjoying the peaceful garden views.

Directly opposite, completing the ground floor, is a large kitchen bursting with potential. Whether envisioned as a contemporary culinary hub or a more traditional family kitchen, its size and layout lend themselves beautifully to renovation and modernisation, with ample room for dining and socialising.

Moving upstairs to the first floor, the sense of space continues. Four well proportioned bedrooms provide comfortable accommodation, each with its own unique charm and views of the surrounding landscape. A further versatile room offers flexibility to be used as an additional bedroom, a quiet study, or a practical storage area, depending on the needs of the household. A well-appointed family bathroom serves this floor, while a wide, open landing hall connects each room with ease, adding to the overall feel and flow.

At the very top of the house, the second floor reveals two more large bedrooms. These rooms are filled with character and natural light, making them perfect for older children, guests, or as luxurious master suites. One of the bedrooms features an adjoining space, ideal for conversion into a walk-in wardrobe or private dressing area, offering a touch of indulgence and practicality.
