Ground Floor:

Step into this welcoming retail space which boasts six large windows facing the vibrant Market Square, ensuring excellent visibility and natural light throughout. Spot lighting enhances the modern, well-lit atmosphere. The shop features laminate flooring, ideal for a variety of uses, and is equipped with plumbing, electrical points, and a telephone point for operational needs. A twin-door storage cupboard to the side adds valuable storage space. The cellar is a practical and versatile space, fitted with fluorescent lighting and multiple power points. It also includes plumbing for a washing machine, a water cylinder, and a convenient cloakroom with WC, making it suitable for storage or additional workspace.

Apartment One:

A bright space with five twin-aspect windows overlooking Market Street and King Street, allowing natural light to flood the room. There is an open living flame gas fire set within a cream marble inset and hearth and the room is equipped with multiple power points, ceiling lights, and has a comfortable ceiling height of 2.40m. A built-in cupboard provides practical storage space. The kitchen is fitted with a selection of cream base and wall units, complemented by glazed display units. A stainless steel sink with mixer taps sits conveniently beneath the workspace. Integrated appliances include a cooker with an electric hob, paired with a filter hood, and a fridge/freezer. The bathroom has been fully tiled from floor to ceiling in ivory, creating a clean and polished aesthetic. It features a low-level WC, a wash basin with pedestal, and a low-level bath equipped with side handles for ease of access. An electric over-bath shower completes this practical and well-designed space.

Apartment Two:

The lounge is a bright and welcoming space which features windows overlooking Market Street, providing natural light and a pleasant outlook. The room is decorated in neutral tones and the gas fire with a built-in slate surround and hearth adds a cozy focal point. The room is equipped with power points, a TV/telephone point, and a fire alarm for safety and convenience. The kitchen is well-fitted with a range of base and wall units, offering ample storage and workspace. Appliances include a four-ring electric hob, a Lamona electric fan oven, and space for a fridge/freezer. There is also a recess with plumbing for a washer, making it a practical and functional space for daily needs. The bedroom boasts three twin-aspect windows, allowing for a great degree of natural light. A painted fire surround adds a touch of character, and the room offers a neutral, versatile décor that would suit any style of furnishings. The bathroom is fitted with a three-piece suite, including a toilet, a wash basin with pedestal, and an electric shower. The layout is both functional and neatly designed. There is loft access, offering extra storage or potential for further development.
