A charming and cosy cottage boasting a perfect blend of modern and traditional décor. Nestled in a quiet and picturesque setting, this beautiful home enjoys mature gardens, countryside and estuary views, and off-road parking. With its warm and inviting atmosphere, this property is ideal for those seeking a peaceful retreat while still enjoying modern comforts. A truly special home - early viewing is highly recommended!

Step into this stunning countryside retreat through an enclosed porch, offering access to the kitchen diner, lounge, and a useful ground floor WC.

The kitchen blends modern convenience with cottage-style charm, featuring white and Farrow and Ball Downpipe base and wall units, solid oak work surfaces, and a Belfast sink. The island unit provides additional workspace, while integrated features include a built-in dishwasher, space for an oven, fridge and freezer. A wood-burning stove in the corner enhances the cosy ambiance, with an open-plan flow into the dining area, which is perfect for entertaining.

The lounge is a generous yet cosy space, with a wood-burning stove set beneath a floating mantle, exposed ceiling beams, and herringbone flooring, adding warmth and character. A door leads into the conservatory, flooding the space with natural light.

The conservatory features a glass ceiling and wraparound windows, creating a bright and airy space. This leads to a utility room with plumbing for a washing machine, ventilation for a tumble dryer, a sink and built-in floor-to-ceiling storage cupboard.

Upstairs, the first floor boasts three spacious bedrooms, a dedicated office area with velux window-ideal for remote working, and a stunning bathroom. The luxurious bathroom includes a dual-flush WC, vanity unit with wash hand basin, and a freestanding bath with a central telephone tap and handheld shower attachment. The walk-in shower is a showstopper, with a rainfall showerhead, a handheld shower on a flexible track, and sleek, full-length glass screens. The emerald green tiling and ceiling spotlights complete this elegant space.

Outside, the mature garden is a tranquil retreat, offering lush lawns, patio areas, and decorative stone chippings—all with breathtaking countryside and estuary views. There is an external wood store for added practicality, and off-road parking is available at the front, accessed via a shared driveway.
