Estate agents are required by law to check a buyers /sellers identity to prevent Money Laundering and fraud. You do have to produce documents to prove your identity or address and information on your source of funds. Checking this information is a legal requirement to help safeguard your transaction, and failing to provide ID could cause delays. Corrie and Co, outsource these checks to speed up the process. The company does charge for such checks, please ask for more information and guidance on associated costs.
