Restrictive covenants and Pastoral (Church Buildings Disposal) Scheme:

Restrictive covenants will be included in the transfer of the property. Further details of these are available from the agents.

The Church of Saint Francis is yet to be formally closed. A consecrated Church of England church is closed and sold under special legal provision - a Pastoral Church Buildings Scheme is the legal document empowering both the closure and sale. The sale of the church would, therefore, be subject to the making of such a scheme, following public consultation, authorising its closure for worship, its demolition if redevelopment is proposed or sale for a specified new use re-use is proposed. Further details about the procedures involved may be found on the Church Commissioners' website.
