Welcome to 24 Foxfield Road, a classic three bedroom dormer-bungalow. On approach the property benefits from off road parking and a detached garage perfect for additional storage. As you step through the front door, you arrive in a small entry area that opens immediately into the heart of the home. To your left is a generous reception room. It runs the full depth of the house and yet it still feels bright due to the front window and the French doors at the rear that lead out to the garden. The stairs are tucked neatly against the inner wall and the space provides ample opportunity to host social gatherings or to have family gatherings. The focal point of the room centres around a log burner that helps keep the home toasty in the chilly evenings.

At the front of the property, to the right, you'll find the kitchen. It's efficiently designed with a dedicated area for the stove and sink as well as ample cupboard and worktop space. The family bathroom is located on the ground floor, situated between the kitchen and the third bedroom. It features a full suite including a bathtub, washbasin, and toilet. Located at the rear of the house on the right-hand side is Bedroom 3, which is perfect for a guest room, a home office, or for someone who prefers all ground floor living.

Heading up the stairs from the living area, you reach a small landing that divides the upper floor into two distinct wings. To the right of the landing is Bedroom 1, a spacious double bedroom. It features a window on the rear wall which helps flood the bedroom with natural lighting. To the left of the landing, you'll find Bedroom 2. Like the first, the window to the rear overlooks the rear garden ensuring plenty of natural light throughout the day. The two bedrooms share a WC for added convenience.

The rear garden is spacious and features a raised decking area, a lawn, rear outhouse and storage shed.
