Situated within a popular residential location, this family home has been lovingly extended and upgraded by the present owners to create a versatile and contemporary property. From the open plan kitchen to the home study and separate lounge, there are spaces for all of the family to enjoy. There is also a useful garage to the rear as well as an ample driveway to the front and modern landscaped garden.

To the front of the property is a spacious double block paved driveway which leads to the open porch and front doors. From the front aspect you can enjoy open field and water views.

Upon entering the home you will find a welcoming hallway with access to the lounge and kitchen. The lounge is an intimate space in contrast and compliment to the otherwise open plan ground floor. Boasting a bay window and media wall with linear electric fire. The open plan area is a fantastic space for 21st century living and entertaining. The kitchen has been fitted with a good range of matte anthracite wall, base and larder cabinets with central island and complimentary stone style worktops and blue tiled backsplash. The integrated appliances include a double oven and gas hob. The floors are fitted with LVT flooring which runs seamlessly in to the ample living and dining areas. French doors overlook the garden and skylights allow ample natural light to flow through the room. An adjacent hallway provides access to a two piece WC, study with external access and utility room with space for freestanding appliances and access to the garden.

To the first floor there are four bedrooms which are all neutrally decorated. The Master bedroom benefits from a bay window and walk-in wardrobe. The family bathroom has a four piece suite comprising a low level bath, cream vanity sink with WC and walk-in shower. The walls are part tiled in a dark stone effect with complimentary flooring.

To the rear of the property there is a low maintenance tiered garden with areas of artificial lawn, patio and timber sleeper raised beds with tropical planting. The detached garage can be accessed from the garden as well as via the up and over door from Oak Road.
