Offers In The Region Of £695,000

Located in one of Barrow's most prestigious areas and close to the historic Furness Abbey, this superbly presented family home offers an exceptional blend of space, style, and modern living. Finished to a high standard throughout, the property features contemporary fixtures and furnishings alongside four generously sized bedrooms, perfect for growing families or those looking to accommodate guests in comfort. Designed for both entertaining and relaxation, the impressive rear garden boasts a fantastic outdoor kitchen area and swim spa, creating the ideal setting for hosting family and friends all year round. Conveniently situated close to local amenities and well-regarded schools. This outstanding home perfectly combines luxury living with everyday practicality. Completing the property is a spacious multi-car front driveway and an attached double garage, providing ample parking and storage solutions.

Upon arrival at this substantial detached property is a large driveway capable of providing parking for multiple cars and vehicles. A front garden helps to provide an elegant and sophisticated curb appeal and sets the tone for a neat and inviting home on the inside. An integrated double garage provides space for further cars or to be used as a large storage space.

Entering through the central hallway, you are greeted by an immediate sense of space, with a convenient ground-floor WC and dedicated storage space tucked away near the stairs. To the right, the formal lounge features a deep bay window, creating a bright and airy living space. The heart of the home lies to the rear, where an expansive open-plan layout connects a modern kitchen, complete with a central island, to a dedicated dining room and a large snug. This entire social space is flooded with light thanks to multiple sets of double doors leading to the rear garden. Practicality is further enhanced by a separate utility room and an access point into the integrated garage.

The double doors help integrate a sense of flow and connectivity from the inside social spaces to the stunning rear garden. A large patioed area to the left provides a dedicated outdoor cooking area, featuring a built in BBQ, mini fridge, outside sink and ample worktop space. Next to the cooking space is a modern infrared sauna and outside heated shower. At the top of the garden are two separated seating areas. The first continues along the patioed area and provides a natural flow from the BBQ making it ideal for a large family orientated outside table and chairs set. The other is on a raised decking and offers a more informal and relaxed space for soaking up the sun. Lastly, a large built in swim spa ties the garden together and really offers the owners a chance to soak the stress of modern living away.

Upstairs, the landing connects four impressive double bedrooms and a dedicated home office. The master suite is a standout feature, boasting its own walk in dressing room and a private ensuite bathroom. The second bedroom also benefits from a private ensuite and a built-in wardrobe, while the remaining bedrooms have easy access to the high-specification family bathroom. This home is thoughtfully configured to offer ultimate flexibility for modern working and family life.
